

What is EAA Chapter 878?

Chapter 878 was established in 1986 at the Maple Lake Airport at Maple Lake, Minnesota.

We are a group of aviation enthusiasts, aircraft builders, and pilots who get together with like minded people to share ideas, exchange information, encourage safety, serve the local aviation community, and have fun doing so.

Our members come from throughout the central Minnesota area west of Minneapolis, encompassing the beautiful "lake country" in the neighborhoods of the Buffalo and Maple Lake airports.

Chapter meetings are held monthly, and vary in location from these two airports to member homes or workshops.

Join us.

Whether you fly, build, restore or simply enjoy airplanes and aviation, you are invited to attend our events and join our chapter.

You don't have to live locally to enjoy Chapter 878 membership. All members receive a subscription to our newsletter, ***The Maple Lake Flyer***, plus other chapter related correspondence via email.

E-mail address: _____

Areas of special interest, projects working on, things with which I would like to become involved:

Signature: _____

(please complete this form and contact any of the chapter officers listed on the front page)

How can I become a Chapter 878 member?

1. By simply raising your hand, requesting to become a member and pay dues!
2. The national policy of EAA requires Chapter members to also be EAA members. For EAA membership information, call 1-800-564-6322 or see www.eaa.org.

Chapter 878 is one of the worldwide network of chapters of the Experimental Aircraft Association (EAA) which is headquartered in Oshkosh, Wisconsin.

The Experimental Aircraft Association embodies the spirit of aviation through the world's most engaged community of aviation enthusiasts. EAA's more than 170,000 members enjoy the fun and camaraderie of sharing their passion for flying, building and restoring recreational aircraft.

For complete information about the EAA and the many benefits available to members, please see www.eaa.org.

EAA Chapter 878 Officers 2015-2016
